- Available as standard (included in basic price)

Technical description

1. Meeting tables

1.1. Table top

Fixed table tops – finish options:

- melamine faced chipboard (MFC), thickness 25 mm, with 2 mm edge in glue technology as standard or laser edge as an option,
 - laminate – top part of chipboard covered with laminate, bottom part covered with antiresilient laminate in white colour, thickness 25 mm, with 2 mm edge in glue technology.
- Table tops are available in following shape options: round, square, soft square with rounded edges, rectangular, soft rectangular with rounded edges.

Grommets and media ports (in various types and configurations) are an integral part of product and do not need to be ordered separately – available as an option.

1.2. Base

Column base

Bottom base plate is available in following shape options: round, square, soft square with rounded edges.

Column is made of steel tube \varnothing 80 mm.

Fixed height 450, 550, 740 or 1050 mm, levelling in range of 10 mm.

Finish options: powder-coated in Traffic white (RAL 9016), Jet black (RAL 9005), White aluminium (RAL 9006), Slate grey (RAL 7015), or "Fashion Collection" colour.

All meeting tables are unassembled as standard.

1.3. Product range

MeeThink meeting table, round table top

MeeThink meeting table, square table top

MeeThink meeting table, soft square with rounded edges table top

MeeThink meeting table, soft rectangular with rounded edges table top on a round base plate

MeeThink meeting table, soft rectangular with rounded edges table top on a square base plate

MeeThink meeting table, soft rectangular with rounded edges table top on a soft rectangular with rounded edges base plate

MeeThink meeting table, rectangular table top on a round base plate

MeeThink meeting table, rectangular table top on a square base plate

MeeThink meeting table, rectangular table top on a soft rectangular with rounded edges base plate

3. Cable management

3.1. Meeting tables with one-column base

Vertical cable management inside table column.

3.2. Meeting tables with two-column base

Horizontal wire trunking

Felt – made of thermoformed felt in dark grey colour, assembly directly to table top with velcro tape fixing, width 300 mm.

Vertical wire trunking

Upholstered – made of fabric with zip. Assembly directly to table top with plastic connectors. Available in diameter 38 or 65 mm, and in various lengths – depending on table height.

Flexible spring – made of plastic in alu or black colour, or transparent. Fixing directly to table top.

Technical description

3.3. Grommets and media ports for high meeting tables and conference tables

Metal rectangular cable outlet and media ports available only for fixed table top.

- ④ – Plastic element finish:
- W – white
- AU – aluminium
- B – black

4. Technical regulations, certificates and quality marks (for selected product configurations)

INT approved compliance with EN 15372,
